*Miracle*

That light  
was like a  
miracle

That's  
what Kira  
later  
told me...

**As for  
me...**

**I had  
no idea of  
anything  
at the  
time...**

**After all,  
I had become  
dust...**

In deep  
thought

Floating  
in the  
darkness

Over  
how Urbans  
had built  
this world

Over  
Amazon's  
river

And how  
the goddesses  
cloned and  
reincarnated them,  
then creating life.

And  
how corpses  
drifted from  
outside of  
Andaka

Yet,  
what exactly  
was Latus  
closed from,  
if she was  
created before  
all of the other  
histories?
